

## Pledge your support to Puptown!

Do your part to help keep Puptown safe, clean, and fun for dog and owners!

As an official Dog Friendly Area (DFA), Puptown is a place where dogs can safely play off-leash. The Chicago Park District requires that each DFA be supported by a local advisory council, which is responsible for regular cleaning, maintenance and funding.

Puptown depends on this type of financial support to maintain and advance the park. Maintenance and logistic expenses may vary from a few hundred dollars to thousands of dollars for larger jobs like repaving, park expansion, and other improvements. Therefore, we ask that park users make a contribution of \$30 per household or whatever amount works for their budget.

### **Every contribution counts!**

I am enclosing:

\$\_\_\_\_\_ My \$30 pledge of support

\$\_\_\_\_\_ A little something extra (additional donations always welcome!)

\$\_\_\_\_\_ Total
